

The Bath House Re-generation project – 29th March to 14th May 2016

The Royal Crescent Hotel & Spa are fully committed to offering our guests the highest quality products, service and experience possible. For this reason, we are delighted to be renewing our Bath House facilities. Work on this is scheduled to take place between 29th March and 14th May 2016. Once re-opened, this will offer our guests and members stunning contemporary facilities to enjoy during each visit to the hotel. Whilst works are undertaken the rest of the hotel will continue to be fully operational and to deliver the high standard of service that guests have come to expect from our iconic hotel.

We are delighted to say that we will still be offering selective treatments throughout the period of The Bath House regeneration and that our state of the art fitness room will still be fully accessible for hotel guests and members alike. We look forward to continuing to welcome you for morning coffee, lunch, afternoon tea or dinner during this time.
