RELAIS & CHÂTEAUX

A MOVEMENT WITH MEANING

Relais & Châteaux, established in 1954, is an association of 580 unique hotels and restaurants throughout the world, owned and operated by independent entrepreneurs – most often families – who are passionate about their craft and deeply committed to forging warm, lasting relationships with their guests.

Relais & Châteaux members protect and promote the wealth and diversity of the world's culinary and hospitality traditions, to ensure they continue to thrive. They are equally dedicated to preserving local heritage and the environment, as articulated in the association's Vision presented to UNESCO in November 2014.
